## SEPTEMBER 2017

The long awaited defibrillator for the village is at last in place and registered with the ambulance service. We hope that we will not need to use it, but in common with most towns and villages now, it is there for anyone to use in case of emergency. No special training is needed, full visual and audio instructions are given when the defibrillator is activated. The code to open the cabinet is 1593, but always dial 999 first.

**There will be a demonstration and training session by the Community Heartbeat Trust, in the Village Hall on Monday 18<sup>th</sup> September at 7pm.**

We would like as many people as are able to come to take part in this, so that we always have a pool of people who feel confident in using the defibrillator. No special skills are required, just a willingness to play an important role in the event of a medical emergency. The more people that know how to use the portable defibrillator, the more chance there is of saving the life of a victim of Sudden Cardiac Arrest. We shall be providing a list of phone numbers of volunteers who can be called on to bring the equipment to you and assist in resuscitation so that you can stay with the patient and give chest compressions until help arrives.

Thank you to everyone who has contributed to raise the £2,000 needed. The equipment will be checked weekly and continue to be monitored and serviced by Community Heartbeat Trust.

## **The HARVEST FESTIVAL is on Sunday 17<sup>th</sup> September at 6pm.**

This will be in place of the regular morning worship on that day. The service will be taken by Canon Valerie Rampton, and we hope that you will join this celebration and thanksgiving. Gifts of non-perishable foods will be donated to the Newark Women's Refuge. The Church will be open during the day on Friday and Saturday for decorating, and for those who will not be at the service to leave their gifts.

## **Our Service of Remembrance will be on 12<sup>th</sup> November at 6pm.**

No more stained and flaking paint in the Chancel! It's now bright and fresh thanks to weeks of hard work by Janine, stripping and re-painting the walls. We then had a concerted effort to clean widows and polish woodwork, and also thanks to Barry who scrubbed away most of the green algae from the walls of the porch, so that with flowers strategically placed, the church has looked lovely for the four weddings this summer. We now face the challenge of restoring the Nave which has crumbling plaster in parts and difficult places to reach, but spurred on by what has been achieved so far and more weddings next summer, the work goes on. After all those months under tarpaulins and scaffolding and rain damage, it feels as though All Saints is coming to life again, thanks to so much support from the village in all kinds of ways, and a growing congregation. Thank you also to all those who have been taking care of the churchyard. We have plans to develop some areas for wildlife and conservation, and to make it a pleasant and peaceful place to spend time. If anyone has any spare bulbs such as snowdrops or crocus that we could plant in the grass, or any meadow or woodland flowers, we would be very grateful.

## Village Events

### Special Events Committee:

Les Chaplin, Derick Parker, Howard Roberts, Glenn Woolley, Vicky Appleby, Jackie Parker, Sue Roberts, Yvette Wellard.

---

Following last year's successful **Bonfire Night at the Willow Tree** car park, there will be a similar event this year, with Howard and Glenn competing again, (this time with their own recipe bangers) on **Saturday 4<sup>th</sup> November from 5pm**.

Tickets priced at £5 for the fireworks display and two hot dogs, will be available in advance at the Willow Tree or from committee members. Donations for the raffle would be gladly received by Jackie or can be given to any committee member.

The main aim of the event is to bring the village together for an enjoyable social event. The events have to be self-funding, but so far, they have proved so popular that extra funds have been generated which will be used for improvements to the village.

Again, we didn't get past the first round of the Best Kept Village Competition, even though the village does look very well kept, so if you have any ideas for improvements, let the committee know. Several people have suggested areas for planting flowers, and if you are interested in 'adopting' a particular area, contact the Parish Clerk.

We know that the telephone box needs some attention now that the defibrillator has been installed, and we have very kindly been offered free red paint and undercoat by Pronto Paints Ltd of Clay Cross who specialise in high technology surface coatings. Derick and Ben have volunteered to do the prep and painting, and the Parish Council will replace the broken and plastic window panes with new glass.

## THE WILLOW TREE

We are fast approaching 10 years at The Willow Tree so this year is a year for celebration. We hope that you will join us to 'Leave a Legacy' on Thursday 16th of November from 7pm. We will be celebrating with 'Nibbles for Children in Need'. We will provide some nibbles during the evening and would love it if you would come and share the evening with us. We will leave a bucket on the bar and hope that you will dig deep for Children in Need which is taking place the following day.

There is already some memorabilia in the pub from years of previous landlords and the local community which has provided us with answers to our many questions of what and who has gone before, and we would like to add to it. In years to come we will all become a small part of the history of Barnby in the Willows and it would be something really special if as a community we could make our mark in some way.

Between now and then or on the day please bring any photos, past or present, of your time at The Willow Tree or life in Barnby. We would like to frame the best of them and mount them on the wall in the pub. We want to hear your stories and we hope that you will sign our visitors' book and tell us your memories or make a note in the book about the good times. The Willow Tree has been here for almost 300 years and it would be lovely for us all to leave something behind so that future generations can gain a little knowledge about the people who went before them.

We hope you will join us to celebrate and 'Leave a Legacy'.

*Kathryn and Brett*
