

## BARNBY NEWS

### MARCH 2017

The defibrillator has finally arrived after such a long time in the planning, and we just need the go-ahead from BT now to install it in the phone box. Thank you to everyone who has supported this project through donations and fund raising. This is how the money was raised:

On-line donations to CHT	542.00
Donations by cheque to PC	150.00
NCC Funding (Cllr Dobson)	500.00 *
Bonfire Night fund raiser	1,236.00
Village Carol Singing	136.00
<b>TOTAL</b>	<b>£2,564.00</b>

We don't have the final cost for the defibrillator + installation yet, but Cllr Dobson's grant specified that if there is any surplus from the £500, it should go towards new chairs for the Village Hall. The phone box will need a good clean before it can house the defibrillator, and the Parish Council is planning a **Village Spring Clean Day** for this and a list of other jobs at the Village Hall, the Church and around the village. **Any volunteers to take part?** Please ring or email the Clerk (see below) for more information.

The Parish Council is again appealing for people to park their cars with consideration for others. Most people have a driveway and don't need to leave their car on the road or on the pavement. The far end of Back Lane becomes particularly congested so that on at least two occasions recently, the oil delivery lorry has been unable to access the houses in the cul-de-sac between the Village Hall and The Grange. Imagine how frustrating this is for people who need oil but the lorry has to be turned away.

There has been a big increase in fly tipping across the country in general, and frequently on Long Lane. It can be reported on line, directly to Newark & Sherwood District Council or by contacting the Parish Clerk – [parishclerk@barnbyinthewillows.com](mailto:parishclerk@barnbyinthewillows.com) 626780.

The next **Safer Neighbourhood Group** meeting is on Tuesday 21<sup>st</sup> March at 7:30pm at Winthorpe Community Centre - all welcome.

# ALL SAINTS' CHURCH

I'm sure, like me, you have noticed green shoots appearing on the plants in your garden and the snowdrops quietly emerging through the soil as the days begin to slowly draw out. We are approaching spring and after the short days and cold nights of winter the thought of brighter.

Warmer days is a welcome one. Signs of new life in the world around us really do lift our spirits. I love this time of year and I value the rhythm of the Church calendar too as it echoes the rhythm of the season.

This month will mark the start of Lent, the period when we begin to look toward Easter day. At this time, we are invited to journey with Jesus as he makes his way toward the events of Holy week and the resurrection. Lent offers the opportunity to slow down on our spiritual walk and allow God to draw closer to us. It is a time for reflection: a time to recognize the significance of faith in our lives and perhaps to let go of some things. When we take time in our busy lives to do this, either alone or with others, we find that God meets us where we are. And so, at the beginning of Lent I encourage you to consider what would be helpful to you in your journey of faith, and to seek out time to spend with God.

I find being outdoors helpful. Walking my dog or spending time in the garden helps clear my mind of the daily clutter, allowing space to focus on the significant aspects of life.

You may like to attend the Lent study group that will meet in St Giles church. We will be looking at the theme of 'Receiving Christ'. The groups begin on Tuesday 7<sup>th</sup> and Thursday 9<sup>th</sup> March and will meet each Tuesday at 10.30am and Thursday at 7.30pm throughout Lent. Feel free to give me a call for more details or just come along.

However you choose to spend your time this season I pray that together we will grow in our understanding of the love that God has for each of us. It was love that took Jesus through his ministry to the cross and on to Easter day. It is the same love that is drawing each of us into an ever-deepening relationship with him here and now.

**God bless, Revd. Louise**

# THE WILLOW TREE

**Curry Night** takes place weekly on a Wednesday from 6:30pm. Keep an eye on our A-board for special Thai and Chinese themed evenings instead of the usual Indian.

**St Patrick's Day – Friday 17<sup>th</sup> March.** Green is the Theme! We hope you will join us to celebrate this event. We will be serving a hot bowl of Beef in Guinness Stew at £10 per person. We open at 5:30pm and food will be served at 7:30pm. We are planning some interesting themed cocktails to add to the craic.

**Pie and Peas Supper – Thursday 30<sup>th</sup> March.** From 6:30pm we will be serving a choice of Brett's home-made pies with peas and chips for £10 per person. This has always been a popular and sociable event among our regulars and we hope that you will join us once again this year. Why not bring your neighbours and get to know other villagers a little better during the evening?

**Tuesday 4<sup>th</sup>, Wednesday 5<sup>th</sup> and Thursday 6<sup>th</sup> April  
The Willow Tree will be closed on these days.**

**St George's Day – Thursday 20<sup>th</sup> April.** We will be celebrating St George's Day on Thursday 20<sup>th</sup> April this year with a sausage and mash dinner. You are welcome to dress appropriately for the occasion and we look forward to welcoming you on the evening to celebrate all things English.

Watch this space for our 10<sup>th</sup> anniversary celebrations later this year. We feel very lucky to have been a part of Barnby in the Willows and custodians of our beautiful village pub for 10 years in November this year. Many other rural pubs in the area have closed, re-opened or changed hands over and over again in the time we have been here. We were sad to see the pub in Beckingham recently be converted to domestic property. We believe our village pub was built in 1738, and so it has been the focal point of our community for many years. We hope you will join us later in the year to celebrate.

If you would like to take part in any of the events above, then please contact us on **629003** to reserve a place at least 24 hours or more prior to the event.

**Best wishes, Kathryn and Brett**
