

BARNBY NEWS

SUMMER 2019

Welcome to the Summer Edition of the Barnby Newsletter. For the first time in many years we had an Election for your Parish Council and have welcomed 2 new councillors. Sadly, Yvette has decided to retire as Clerk, and we would like to thank her for all the hard work she has put in over her many years of service. The Parish Council is always pleased to hear your views, so why not pop along to a meeting and join in the Public Contributions. I am sure you have all now seen the new Gateway Signs for the village and thank you to the Barnby Village Committee who created yet another successful Party on the Green. However these events take a lot of work so any offers of help would be greatly appreciated, they are constantly looking for new ideas and welcome suggestions for future events you would like to see on the calendar. Unfortunately, the problems of dog mess and speeding continue, we have spoken to the relevant authorities and are now looking at reporting any offenders, along with maybe borrowing a Speed Camera – it is our village let's keep it clean and safe. Summer is here (hopefully), so please consider neighbours when enjoying time outdoors. Have a lovely Summer.....

Janette Barlow, Chairman Barnby Parish Council

Our new village signs finally arrived, thanks to the efforts of the Barnby Village Committee. The money for the signs came entirely from their fund raising, plus donations from County Council through Maureen Dobson and from the former campaign against wind turbines group, ReVolt.

THE PARISH COUNCIL HAS A VACANCY FOR THE POSITION OF CLERK

Council meetings are held every other month. A salary of not less than £9.97 per hour will be paid with the number of hours per month to be agreed.

The Clerk is responsible for calling and attending meetings, preparing the agenda and minutes, maintaining financial records, providing information to the Parish Council and implementing decisions made by the Council. Training will be provided.

**For more information, contact the Clerk.

In addition to the post of Clerk, the Parish Council will also require an administrator for the village website and an editor for the quarterly newsletter. These could be combined with the work of the Clerk or could each be done separately on a voluntary basis if someone has a particular interest.

Our newly decorated Village Hall is available for private hire for meetings, parties, table tennis etc at a cost of £6 per hour for village residents (£8 per hour for non-residents).
